ITI Inspection Proforma

Directorate of Technical Education, Vocational & Industrial Training, Himachal Pradesh

Name of ITI	Govt. ITI Sundernagar (Sample)	**MIS code**	SAMPLE-001
District	Mandi	**Ownership**	Government
Inspection team	Team 1 — Mandi	**Team leader**	Anil Sharma
Team members	Ritu Thakur, Vikas Kumar	**Scheduled visit**	19-10-2026
Date of inspection	19-10-2026	**Submission deadline**	24-10-2026
Submission status	Submitted	**Submitted on / by**	24-10-2026 09:03 / Anil Sharma

C = Complied, P = Partly complied, N = Not complied, NA = Not applicable

★ Critical item — linked to a de-affiliation ground in J1.

Section A – Technical Evaluation

Part A — General particulars

S.No	Particulars	Details
A1	Name of ITI	Govt. ITI Sundernagar (Sample)
A2	MIS code / affiliation application no.	SAMPLE-001
A3	Complete address, block, district	Complete address: Sundernagar, District Mandi, Himachal Pradesh Block: Sundernagar District: Mandi
A4	Located in a notified hilly area / border district (AN 9.1.3)? Yes / No	Yes
A5	Principal: name, mobile, e-mail	Name: Principal (Sample) Mobile: 9816000000 E-mail: principal@example.invalid
A6	Type of inspection: Periodic / Surprise / Renewal (AN 3.6) / Complaint-based (AN 7.3.2) / Other	Periodic If Other, specify: As observed
A7	Date of inspection; time of arrival and departure	Date of inspection: 19-10-2026 Time of arrival: 10:15 Time of departure: 10:15
A8	Geo-coordinates at inspection site (latitude, longitude)	Latitude: 31.535053552881035 Longitude: 76.89026535969684
A9	Inspecting team: name, designation, office of each member	1. Name: Ritu Thakur; Designation: Group Instructor; Office: Govt. ITI Mandi 2. Name: Vikas Kumar; Designation: Superintendent Gr. II; Office: DTE, Sundernagar 3. Name: Anil Sharma; Designation: Principal; Office: Govt. ITI Jogindernagar
A10	Date of last inspection, by whom (State / RDSDE / DGT)	Date of last inspection: 13-01-2026 By whom: RDSDE
A11	Action taken on observations of the last inspection: complied / partly / not complied (TM 2.21(v))	not complied
A12	Normal working hours and shifts in operation (TM 2.10: 7½ h/day, 40 h/week)	Normal working hours: 9:30 am to 5:00 pm Shifts in operation: Single shift
A13	Latest DGT grading score / grade of the ITI	Score: 6.8 Grade: B
A14	Court cases pending, if any: court, case no., issue, status (TM Part II)	1. Court: Sample entry; Case no.: Sample entry; Issue: Sample entry; Status: Sample entry 2. Court: Sample entry; Case no.: Sample entry; Issue: Sample entry; Status: Sample entry

Part B — Affiliation status, trades and units

B1. Trade-wise position (one row per trade; add rows as needed)

Trade	NCVET / SCVT	Duration	Units affiliated (Shift 1 / 2 / 3) — Shift 1	Units affiliated (Shift 1 / 2 / 3) — Shift 2	Units affiliated (Shift 1 / 2 / 3) — Shift 3	Affiliation order no. & date	Seats per unit	Enrolled: 1st yr / 2nd yr — 1st yr	Enrolled: 1st yr / 2nd yr — 2nd yr	Units actually running	Remarks
Electrician	SCVT	Sample entry	5	7	25	Sample entry	11	4	3	13	Sample entry
Fitter	NCVET	Sample entry	12	28	12	Sample entry	20	9	26	2	Sample entry
COPA	SCVT	Sample entry	18	4	30	Sample entry	13	3	18	10	Sample entry

B2. Compliance checks

S.No	Item to verify	Norm / Ref	Observed	C/P/N
B2.1	Affiliation valid on date of inspection	Initial affiliation is for 6 years (AN 3.6)	Partly available; to be completed.	C
B2.2	Renewal applied on portal at least 1 year before expiry	AN 3.6(i); late filing bars new admissions after 6 years (AN 3.6(ix))		C
B2.3	No trade or unit run without affiliation; admissions within affiliated seats	AN 7.2(x), (xi)		C
B2.4	Institute running at the approved location only	Shifting without DGT / State approval is a ground for de-affiliation (AN 7.2(vii), AN 3.2)		P
B2.5	Name of ITI matches affiliation order; any change approved	AN 3.3		C
B2.6	Trade details board displays affiliated trades, seating capacity and number enrolled	AN 9.2, Table 24 item 4.4	As per norms.	C
B2.7	Affiliation status of each trade (NCVET / SCVT) made known to applicants before admission	TM Part II 1.5(ii)	Board displayed at entrance.	C
B2.8	Data on the affiliation / MIS/SIDH portal (trades, units, trainees, staff) matches the ground position	AN 2.5.4.1, AN 3.6(ii)	As per norms.	P

Part C — Land, building and infrastructure

C1. Land and building documents

S.No	Item to verify	Norm / Ref	Observed	C/P/N
C1.1	Land owned (registered deed) or on a registered lease in the institute's name, valid for at least 6 years	AN 9.1.5; operating without a live lease is a de-affiliation ground (AN 7.2(v))		P
C1.2	Land area against norm	General areas: 3,000 / 2,115 / 1,821 sq m for 4 trades (single / double / 3+ storey), AN Table 21. Hilly areas, NE, border districts: 1,200 sq m for 2 trades with 1+1 units, AN Table 23	Partly available; to be completed.	C
C1.3	Single contiguous plot with boundary wall; split levels allowed in hilly areas	AN 9.1.4(iii), 9.1.5(iii), 9.1.6(iii)	Not available at the time of visit.	N
C1.4	Land-use conversion certificate (if agricultural land)	AN Ann-15, item 10	Seen in office file.	N
C1.5	Building plan approved by competent authority; actual construction matches plan	AN 9.2.3, Table 26; AN Ann-15, item 11		C
C1.6	Building Completion Certificate (new ITI) or Structural Safety Certificate (existing ITI) in prescribed format, naming the ITI	AN Table 26; formats at AN Ann-10 / Ann-11. Govt ITIs may give the handing-over certificate of the construction agency	As per norms.	C
C1.7	Fire Safety Certificate from State Fire Department, valid and address matching	AN Table 26 item 3; AN 10.1		C
C1.8	No classroom, workshop, IT lab, office or amenity in basement / cellar	AN 9.2.4(iv)	Verified on site; records produced.	P
C1.9	Lift provided and maintained if more than 3 floors	AN 9.1.6(iv), 9.2.4(viii)–(ix)		C
C1.10	Heavy-machinery trades (Fitter, Turner, Machinist, Welder, Mech. Diesel / MV / Tractor, Sheet Metal, Foundry, Tool & Die, Mason, any machine over 200 kg) on ground floor	AN 9.1.6(vi)	Seen in office file.	C
C1.11	Ramps, rails and PwD toilets provided	AN 9.1.6(v), 9.2.4(vi), 10.5	Not available at the time of visit.	N
C1.12	Internal walls plastered and painted; cement or tiled floors; doors and windows painted	AN 9.2.2	As per norms.	N
C1.13	Approach/ Motor able Road to the Institute available		Partly available; to be completed.	C

C2. Area verification (measure on site; workshop area per trade is as per AN Ann-19 / current curriculum)

S.No	Space	Minimum norm	Measured area / count	C/P/N
C2.1	Workshop — each trade and unit (add rows) — Electrician / U1	Area per Ann-19; rectangular, min. width 5 m; RCC or profiled industrial roof sheets; no tin / asbestos roof or tin walls; separate workshop for each unit (AN Table 24, 1.2)	Sample entry	C
	— Fitter / U1		Sample entry	N
	— COPA / U1		Sample entry	P
C2.2	Classroom — each trade and unit (add rows) — Electrician / U1	25 sq m, min. width 3 m; tiled floor; RCC roof; one chair / desk per trainee (AN Table 24, 1.1)	Sample entry	N
	— Fitter / U1		Sample entry	P
C2.3	IT lab	25 sq m for 10 PCs (up to 100 trainees per shift) + 2.5 sq m per extra PC; width 3 m; tiled. Not needed if only COPA is run (AN Table 24, 1.3)	As observed	P
C2.4	Multipurpose / drawing hall	110 sq m, width 5 m, for up to 160 trainees per shift; proportionate beyond (AN Table 24, 1.4)	As observed	P
C2.5	Raw material store; separate oil and gas store	90 sq m (engineering), 30 sq m (non-engineering) (AN Table 24, 1.5)	As observed	C
C2.6	Principal's room	20 sq m	As observed	C
C2.7	Reception-cum-waiting lobby	40 sq m	As observed	N
C2.8	Staff room	20 sq m	As observed	C
C2.9	Placement / counselling room	50 sq m	As observed	N
C2.10	Administrative hall / section	20 sq m	As observed	C

S.No	Space	Minimum norm	Measured area / count	C/P/N
C2.11	Library and reading room	40 sq m for up to 160 trainees per shift	As observed	C
C2.12	First-aid room	15 sq m (no fixed minimum in hilly areas, AN 9.1.4(v))	As observed	P
C2.13	Playground	As per building bye-laws / NBC	As observed	C
C2.14	Toilets	Separate for staff, boys, girls and PwD	As observed	C
C2.15	Treated drinking water	On every floor and in workshops	As observed	C
C2.16	Parking	General parking separate from trade parking (e.g. Mech. Diesel)	As observed	C

Area norms C2.6–C2.16 are from AN Table 24, sections 2–3.

C3. Signage (AN Table 24, section 4)

S.No	Item to verify	Norm / Ref	Observed	C/P/N
C3.1	Board at plot entrance and on building: bilingual, font at least 75 mm, ITI name, MIS code, address, ITI / Skill India / DGT logos	Items 4.1–4.2	[1 attachment — see Annexure]	C
C3.2	Directional boards (workshops, office, hostel, scrap yard)	Item 4.3	Seen in office file.	N
C3.3	Staff details board (name, qualification, contact of Principal and instructors)	Item 4.5		C
C3.4	Exit signs, danger signs near transformer / DG set / panels, prohibited-area signs near running machinery	Items 4.6–4.8	Not available at the time of visit.	C
C3.5	Sexual Harassment Redressal Committee notice displayed	Item 4.9	Board displayed at entrance.	C
C3.6	Whether schemes related to the trainee’s welfare being showcased in the notice board and properly sensitized through digital mode such as ATS, PM Internship Scheme, National Scholarship portal, Skill development allowance scheme etc.			C

C4. Electricity, IT lab and other mandatory requirements

S.No	Item to verify	Norm / Ref	Observed	C/P/N
C4.1	3-phase commercial connection in the name of institute (or managing body, with resolution per Ann-6)	AN 9.3(i)–(iii)		C
C4.2	Sanctioned load (kW) not less than required load	Required load = Σ (standard load per unit × base units) for all trades (AN 9.3(v)). Sanctioned: ___ kW; required: ___ kW	Sanctioned: 51 kW; Required: 31 kW Not available at the time of visit.	C
C4.3	Backup power (DG set or solar with battery), installed and maintained	AN 9.3(vi)–(viii)		C
C4.4	Desktop computers, latest configuration, in working order	10 for up to 100 trainees per shift + 2 per extra 20 trainees (AN Table 25). Required: ___; working: ___	Required: 47; Working: 4	C
C4.5	Internet connection	Minimum 40 Mbps or high-speed Wi-Fi (AN Table 25)	Verified on site; records produced.	C
C4.6	Licensed OS, antivirus, multimedia, UPS; LAN, laser printer, scanner, 1 TB external HDD; 20 chairs, 10 tables, white board	AN Table 25	Verified on site; records produced.	C
C4.7	Separate biometric machines with GPS for staff and for trainees, installed and in use	AN 9.4(i); AN Ann-15, item 27		C
C4.8	Projector for e-learning	AN 9.4(ii)		NA
C4.9	Disaster Management Plan prepared and available	AN 9.4(iii)	Not available at the time of visit.	C

Part D — Workshops, machinery, tools and equipment

D1. Trade-wise equipment position (check against the DGT tools and equipment list in the current curriculum; one row per trade and unit)

Trade / unit	Items in DGT list (W + T)	Available	Installed and grouted	In working order	Shortfall: list S.Nos	Obsolete / to be replaced	Remarks
Electrician / U1	3	30	25	28	Sample entry	Sample entry	Sample entry
Fitter / U1	8	6	14	16	Sample entry	Sample entry	Sample entry

D2. Compliance checks

S.No	Item to verify	Norm / Ref	Observed	C/P/N
D2.1	Machinery and equipment available as per curriculum for every affiliated trade and unit	AN 7.2(i); AN Ann-15, item 25	Verified on site; records produced.	C
D2.2	Purchase invoices in the name of the institute and complete	AN Ann-15, item 25		NA
D2.3	Shop-floor machines grouted to foundation	AN Ann-12(1)		P
D2.4	Items costing Rs 10,000 or more hard-punched / engraved with ITI name and MIS code	AN Ann-12(2)	As per norms.	P
D2.5	All items carry identification stickers in DGT-list sequence (W1…Wn, T1…Tn; unit suffix /1, /2; separate colours per trade)	AN Ann-12(2)(b)–(g)		NA
D2.6	Machines run during inspection (sample-test at least 3 per trade)	AN Ann-14(4); AN Ann-15, item 25	As per norms. [1 attachment — see Annexure]	C
D2.7	Machines used to full capacity; idle machines listed with reason	TM App-XV, Proforma item 4(iii)		NA
D2.8	Maintenance system followed; machine history cards / maintenance log kept	TM App-XV, Proforma item 4(v)		C
D2.9	Raw material adequate for practical exercises; expenditure per trainee per month recorded: Rs ___	TM App-XV items 26, Proforma 5(vi); TM 2.14(1)	Expenditure per trainee per month: Rs 56	C
D2.10	Stores: adequate space, layout, receipt and issue system; result of test check of stock registers against physical stock	TM App-XV item 16		N
D2.11	Section layout plan showing machine positions, specifications and connected load displayed in each workshop	TM 2.20(ii)(a)	Not available at the time of visit.	C
D2.12	Syllabus, standard tools and equipment list, and week-wise syllabus break-up displayed in workshop	TM 2.20(ii)(b)–(c)	Partly available; to be completed.	NA
D2.13	Safety precautions affixed on each machine; SOP displayed near machines	AN 10.4(iv)–(v)	Board displayed at entrance.	C
D2.14	Instructions on maintenance of machines displayed	TM 2.20(ii)(g)	Seen in office file.	C
D2.15	Packing and instruction booklets removed; machines in use, not stored	AN Ann-12(2)(a)		C

Test-check record: list any machines found missing, not installed or not working, by trade and DGT-list S.No.

Trade / unit	DGT-list S.No	Item	Found: missing / not installed / not working	Remarks
Electrician / U1	Sample entry	Sample entry	missing	Sample entry
Fitter / U1	Sample entry	Sample entry	not working	Sample entry

Part E — Principal, instructors and staff

E1. Staffing position (norms from TM 3.2; instructor-to-unit ratio and qualification as per current CTS curriculum)

Post	Norm	Sanctioned / required	In position	Vacant	Remarks
Principal	1 per ITI (Jr. scale up to 399 seats; Sr. scale 400+)	17	9	60	As observed
Vice-Principal	1 per additional 300 seats above 400	5	57	16	As observed
Group Instructor	1 per 8 units	11	29	54	As observed
Trade instructors (trade-wise; add rows)	As per curriculum for each unit; TM: 2 for two units, one with diploma / degree	20	40	52	As observed
— Electrician		22	27	18	Sample entry
— Fitter		10	30	22	Sample entry
Workshop Calculation & Science / Engineering Drawing instructor	1 per 144 engineering seats (TM); as per curriculum	57	9	17	As observed
Employability Skills instructor	Full-time for 1,000+ seats; otherwise contract / outsourced	7	48	36	As observed
Training & Placement Officer / industry liaison	Post for 1,000+ seats; designated staff member otherwise	19	39	14	As observed
Storekeeper	1 up to 250 seats; more for larger ITIs	14	44	41	As observed
Accountant	1 per ITI	33	32	17	As observed
Librarian	1 for 400+ seats (recommended)	55	4	6	As observed
Clerical and workshop attendants	As per TM 3.2 table / State norms	54	18	3	As observed

E2. Individual verification (Principal and every instructor; verify originals)

Name	Post / trade / unit	Qualification	CITS / CTI trained (Y/N)	Experience (years)	Regular / contract	Date of joining	Salary paid through bank, last 6 months (Y/N)	Present today (Y/N)	Meets norms (Y/N)
Instructor A	Principal	Sample entry	N	6	Contract	01-07-2019	N	Y	Y
Instructor B	Sample entry	Sample entry	Y	29	Regular	01-07-2019	Y	N	Y

E3. Compliance checks

S.No	Item to verify	Norm / Ref	Observed	C/P/N
E3.1	Required number of instructors available for every affiliated trade and unit	AN 7.2(iv)		C
E3.2	Staff attendance by Him Upasthithi App; matches head-count on the day	AN 9.4(i)	Verified on site; records produced.	N
E3.3	Weekly duty timetable for each instructor and supervisor, spare time used for checking work, progress cards, registers, visual aids and maintenance	TM 2.11(1), 2.18		C
E3.4	Instructors trained in instruction methods (CITS / CSTARI / NSTI); plan for untrained staff	TM App-XV item 14	Seen in office file.	NA
E3.5	Industry deputation / refresher training of instructors; staff training plan from self-appraisal	TM 2.28, 2.29	Board displayed at entrance.	N
E3.6	General standard and subject knowledge of instructors: inspector's assessment from class observation	TM 2.25(vi)(c), App-XV item 13	Seen in office file.	C

Part F — Admissions and training delivery

F1. Trainee strength, last three sessions (TM App-XV item 6)

Trade	Session 2023-24: admitted	Session 2023-24: dropped out	Session 2023-24: passed	Session 2024-25: admitted	Session 2024-25: dropped out	Session 2024-25: passed	Session 2025-26: admitted	Session 2025-26: dropped out	Session 2025-26: passed	Women	PwD
Electrician	26	30	14	26	22	28	24	26	8	9	6
Fitter	26	23	4	13	28	2	28	16	8	7	27
COPA	30	15	12	10	27	26	28	8	8	1	22

F2. Head-count on the day of inspection

Trade / unit / year	On rolls	Marked present (biometric)	Physically present	Difference	Remarks
Sample entry	9	28	3	25	Sample entry
Sample entry	9	12	21	17	Sample entry
Sample entry	13	22	27	18	Sample entry

F3. Admissions and fees

S.No	Item to verify	Norm / Ref	Observed	C/P/N
F3.1	Admission purely on merit of qualifying exam marks (or Directorate's written test)	TM 2.9(4); TM Part II 1.6(i)(b)		N
F3.2	Minimum age 14 years; entry qualification as per trade syllabus	TM 2.9(1)–(2)	Partly available; to be completed.	C
F3.3	Reservation for SC / ST / OBC, women (30% horizontal) and PwD followed as per current State and Central policy	TM 2.9(3)		P
F3.4	Admissions within seats affiliated; completed by the cut-off date	TM 2.9(4)	Verified on site; records produced.	C

S.No	Item to verify	Norm / Ref	Observed	C/P/N
F3.5	Original certificates of trainees kept in safe custody; receipts given	TM Part II 1.6(i)(c)		P
F3.6	Prospectus / brochure giving rules, attendance norms, fees and assessment criteria	TM Part II 1.6 (COE guidelines (b))	Not available at the time of visit.	P
F3.7	★ Fees charged not more than the fee prescribed by DGT / State; receipts issued for all collections	AN 7.2(vi)	Board displayed at entrance.	C
F3.8	Stipend / scholarship disbursed to eligible trainees in time, through bank	TM 2.10(5); TM App-XV item 4	Partly available; to be completed.	P
F3.9	Students insured in Time or not			NA

F4. Training delivery

S.No	Item to verify	Norm / Ref	Observed	C/P/N
F4.1	Latest curriculum available with every instructor	TM App-XV, Proforma 5(i)	Partly available; to be completed.	C
F4.2	Syllabus broken up into weekly / monthly schedule; lesson plans and demonstration plans prepared	TM App-XV, Proforma 5(ii); TM 2.20(ii)(c)		C
F4.3	Weekly timetable for each section displayed and followed; total instructional hours as per curriculum (TM: 42 h / week)	TM 2.10(1), 2.18	Board displayed at entrance.	P
F4.4	Practical exercises designed to cover the full syllabus; section progress chart shows exercises completed by each trainee	TM App-XV 5(v); TM 2.20(ii)(e)	Verified on site; records produced.	C
F4.5	Progress card kept for every trainee from admission; monthly tests held and recorded	TM 2.11(4); TM App-VIII	Not available at the time of visit.	P
F4.6	Audio-visual aids, charts, models and e-learning (projector) used	TM App-XV 5(iii); AN 9.4(ii)		C
F4.7	Weekly model lesson / demonstration class for instructors, with record	TM 2.11(2)	As per norms.	C
F4.8	Industrial visits, OJT / training in industry arranged; record kept	TM 2.11(3); TM Part II 1.9	As per norms.	P
F4.9	Remedial measures for trainees weak in skills	TM App-XV 5(xii)	Board displayed at entrance.	P
F4.10	Monthly staff meeting held with minutes and action taken (ITIs over 250 seats)	TM 2.19		C
F4.11	Internal inspection of sections by Principal / Group Instructor recorded, with follow-up	TM 2.21		N
F4.12	Reference material in Principal's office: layout plans (institute, workshops, electrical), organisation chart, duty charts, trade-wise pass-out chart	TM 2.20(i)		P
F4.13	Learning environment: illumination, ventilation, cleanliness, protection from dust, heat, cold and rain, noise control	TM Part II 1.7	Seen in office file.	C

F5. Attendance and discipline

S.No	Item to verify	Norm / Ref	Observed	C/P/N
F5.1	Trainee attendance marked by biometric (existing ITIs) and matches head-count (F2)	AN Ann-15, item 27	Verified on site; records produced.	P
F5.2	Attendance register maintained; eligibility for final exam based on 80% attendance	TM 2.10(2)	As per norms.	C
F5.3	Absent 10 consecutive days without leave struck off as absconder; warnings issued for unauthorised absence	TM 2.10(4)(v)–(vi)		N
F5.4	Leave records (casual, medical, special) kept within prescribed limits	TM 2.10(4)	As per norms.	C
F5.5	General discipline and punctuality; trainees in uniform / overalls	TM App-XV item 11; TM 2.10(7)		P

Class observation notes (one theory and one practical class): trade, instructor, topic, quality of delivery, trainee engagement, skill test-check result.

Trade / unit	Instructor	Theory / practical	Topic or exercise	Observation	Test-check result
Electrician / U1	Sample entry	Practical	Sample entry	Sample entry	Sample entry
Fitter / U1	Sample entry	Theory	Sample entry	Sample entry	Sample entry
COPA / U1	Sample entry	Practical	Sample entry	Sample entry	Sample entry

Part G — Assessment, examinations and certification

G1. Results of All India Trade Test, last three years

Trade	Year 2023: appeared	Year 2023: passed	Year 2023: pass %	Year 2024: appeared	Year 2024: passed	Year 2024: pass %	Year 2025: appeared	Year 2025: passed	Year 2025: pass %	Remarks
Electrician	27	21	77.8	25	25	100	16	16	100	Sample entry
Fitter	9	9	100	23	10	43.5	9	9	100	Sample entry

G2. Compliance checks

S.No	Item to verify	Norm / Ref	Observed	C/P/N
G2.1	Only trainees of affiliated trades / units sent for AITT	TM Part II 1.5(ii)		C
G2.2	Exam eligibility list prepared on 80% attendance rule; condonation cases recorded with reasons	TM 2.10(2)		C
G2.3	Continuous assessment: monthly / quarterly tests, sessional marks recorded	TM Part II 1.5(vi); TM 2.11(4)		C
G2.4	Periodic evaluation of trainee progress and system followed	TM App-XV, Proforma 5(vii)	Seen in office file.	NA
G2.5	Duplicate certificate and re-totalling requests handled as prescribed	TM 4.55, 4.56	Not available at the time of visit.	C
G2.6	Trainees encouraged to take part in skill competitions, Outcome of Competition.	TM 4.57		P

Part H — Safety, amenities and trainee welfare

All items in H1–H6 are essential requirements under AN Chapter 10 unless marked (D) for desirable. In Himachal Pradesh, the earthquake and landslide items in H6 apply to every ITI.

H1. Fire safety (AN 10.1, 10.7)

S.No	Item to verify	Observed	C/P/N
H1.1	Fire safety certificate from local fire authority (see C1.7)	Seen in office file.	C
H1.2	Fire point in front of each building: 2 water buckets, 2 sand buckets, 4 extinguishers (one of each type)	Board displayed at entrance. [1 attachment — see Annexure]	C
H1.3	At least 2 extinguishers at each prominent location; refill / expiry dates current		C
H1.4	Sand buckets on stands near workshops, labs, DG room, transformer, sub-station	As per norms.	C
H1.5	Every exit and exit route kept free of obstruction; retroreflective escape signage		P
H1.6	Fire drills held; evacuation drill every quarter for each building, with record		C
H1.7	Standing Fire Order maintained; assembly point designated	Board displayed at entrance.	N
H1.8	Standard fire safety norms with emergency numbers displayed on every floor		C
H1.9	(D) CCTV covering fire safety systems		N

H2. Electrical safety (AN 10.2)

S.No	Item to verify	Observed	C/P/N
H2.1	Proper earthing and bonding of wiring; major equipment earthed separately	Seen in office file.	C
H2.2	Rubber / insulating mats in front of every electric panel		C
H2.3	ELCBs installed where required		P
H2.4	No overhead high-tension line across premises	Verified on site; records produced.	NA
H2.5	Neutral of each generator and transformer earthed by two separate connections		C
H2.6	Transformer / sub-station segregated, with CO2, DCP, foam extinguishers and sand buckets nearby	Not available at the time of visit.	NA
H2.7	Transformers and switchgear maintained on BIS-based schedule; work done only by licensed electricians		C
H2.8	(D) Lightning arrester on buildings; 1 m clear space in front of switchboards; periodic insulation and load tests	As per norms.	C

H3. Workshop safety (AN 10.4)

S.No	Item to verify	Observed	C/P/N
H3.1	PPE provided to everyone entering the workshop, and in use	Verified on site; records produced.	C
H3.2	Safety instructions and Do's and Don'ts displayed inside and outside each workshop	Seen in office file.	C
H3.3	First-aid kit maintained in each workshop		P
H3.4	Emergency contact numbers displayed (safety officer, fire, medical, security, maintenance)		P
H3.5	All electrically operated machines earthed and bonded	Verified on site; records produced.	P
H3.6	(D) Aisles and gangways marked; non-skid floor; housekeeping schedule; fuel stored in minimum quantity; ventilation; fume extraction for welding trades		C

H4. Drinking water and food (AN 10.3)

S.No	Item to verify	Observed	C/P/N
H4.1	Tanks and pipelines cleaned and disinfected periodically; cleaning log kept		P
H4.2	Water tested at a Government-certified lab at least once in 3 months (IS 10500); last report dated ___	Last report dated: 12-03-2026	C
H4.3	Potable water points with RO / UV filtration, maintained	Seen in office file.	P
H4.4	Hand-washing stations near canteen and eating areas	As per norms.	C
H4.5	(D) Canteen food samples lab-tested every 6 months	Seen in office file.	C

H5. Persons with disabilities (AN 10.5)

S.No	Item to verify	Observed	C/P/N
H5.1	Ramp for access and evacuation	Partly available; to be completed.	N
H5.2	Wheelchairs and stretchers available		N

H6. Emergency and disaster preparedness (AN 10.6)

S.No	Item to verify	Observed	C/P/N
H6.1	Emergency evacuation plan; outside cut-offs for water, electricity and LPG		P
H6.2	Periodic structural audit of buildings		N
H6.3	Public address system; power backup for exit lighting; trained student volunteers		P
H6.4	Earthquake: quarterly exit drills with records; trained evacuation team; heavy items placed low; light fittings braced; glass panes protected	As per norms.	N
H6.5	Landslide: retaining walls where erosion-prone; staff trained to recognise early signs	Board displayed at entrance.	C

H7. Amenities and welfare

S.No	Item to verify	Norm / Ref	Observed	C/P/N
H7.1	First-aid facility; tie-up with doctor / clinic / hospital	TM 3.2 (medical staff); AN Table 24, 3.2		P
H7.2	Toilets clean and functional, separate for staff, boys, girls, PwD	AN Table 24, 3.6	Seen in office file.	C
H7.3	Canteen and basic amenities available	AN 9.1.4(v)		C
H7.4	Library: condition, books, technical magazines, syllabi, question papers, instructional media; use by staff and trainees	TM App-XV item 17	Partly available; to be completed.	C
H7.5	Sports and recreation facilities; funds available	TM App-XV item 18(iii); TM 2.14(6)		P
H7.6	Hostel (if any): rooms, sanitation, mess, warden, extra-curricular facilities	TM App-XV item 19	Partly available; to be completed.	C
H7.7	Internal Committee against sexual harassment constituted and displayed	AN Table 24, 4.9	Partly available; to be completed.	C
H7.8	Complaint handling procedure; complaint register with action taken	TM Part II 2.3	Board displayed at entrance.	C
H7.9	Placement cell; placement records including self-employment	TM Part II 1.10(ii)–(iv)		C
H7.10	Follow-up record cards of passed-out trainees	TM 2.15; TM App-X	Verified on site; records produced.	N
H7.11	Special facilities for SC / ST, women and PwD trainees	TM App-XV items 21–22		C
H7.12	(D) Sanitary napkin vending machine if more than 50 women trainees; sanitary waste disposal	AN 9.5(ii)		C
H7.13	(D) Rainwater harvesting, solar power, waste segregation, CCTV, announcement system, ERP	AN 9.5		NA
H7.14	Morning Assembly area availability		Verified on site; records produced.	N

Part I — Records, registers, finance and governance

I1. Registers and records (inspect the original; test-check entries against physical position)

S.No	Register / record	Ref	Maintained (Y/N)	Up to date (Y/N)	Remarks
I1.1	Admission register and trainee personal files	TM 2.9; TM Part II 1.6	N	N	As observed
I1.2	Trainee attendance: biometric report and register	TM 2.10(2); AN 9.4	Y	Y	As observed
I1.3	Staff attendance and movement register	AN 9.4	N	Y	As observed
I1.4	Progress cards and sectional registers	TM 2.11(4), 2.18	N	N	As observed
I1.5	Stock registers: consumable, non-consumable, dead stock; annual physical verification	TM App-XV item 16	Y	Y	As observed
I1.6	Raw material issue register (trade-wise)	TM App-XV item 26	N	Y	As observed

S.No	Register / record	Ref	Maintained (Y/N)	Up to date (Y/N)	Remarks
I1.7	Machine history / maintenance log	TM App-XV, Proforma 4(v)	Y	N	As observed
I1.8	Staff personal files: appointment, qualification, experience, salary records	AN 2.5.4.1	Y	N	As observed
I1.9	Inspection register; Action Taken Reports on previous inspections	TM 2.21(v), 2.25	N	N	As observed
I1.10	Minutes of staff meetings	TM 2.19	N	N	As observed
I1.11	Internal inspection record (Principal / Group Instructor)	TM 2.21	Y	Y	As observed
I1.12	Fire / evacuation drill log; water test reports; tank cleaning log	AN 10.1, 10.3, 10.6	Y	Y	As observed
I1.13	Complaint register	TM Part II 2.3	Y	Y	As observed
I1.14	Placement records and ex-trainee follow-up cards	TM 2.15; TM Part II 1.10	Y	Y	As observed
I1.15	Certificate issue register	TM App-XV item 12	N	N	As observed
I1.16	Statistical returns and portal data submitted on time	TM 2.24	Y	N	As observed

I2. Governance

S.No	Item to verify	Norm / Ref	Observed	C/P/N
I2.1	Advisory committee / Institute Management Committee (where constituted) meets regularly; minutes and industry participation	TM App-XV item 24	Seen in office file.	C
I2.2	Institute website maintained with prescribed information (trades, staff, admission, affiliation orders)	TM Part II 1.10(i), Annexure 5		P
I2.3	★ Institute allowed full inspection and verification; all records produced	AN 7.2(ix)	Board displayed at entrance.	C

Part J — Findings, recommendation and certification

J1. Critical deficiencies (grounds for de-affiliation, AN 7.2)

Ground (AN 7.2)	Linked items	Found (Y/N)	Evidence (photo / video timestamp / document)
(i) Insufficient infrastructure, power, machinery or equipment	C1, C2, C4, D2.1	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(ii) Non-training activity on premises	Any part (on-site observation)	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(iii) Institute closed during working hours	A7, A12	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(iv) Required instructors not available	E3.1	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(v) No valid land lease	C1.1	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(vi) Excess fee charged	F3.7	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(vii) Shifted without approval	B2.4	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(viii) Affiliation on false or forged documents	Any part (documents verified)	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.
(ix) Inspection or verification denied	I2.3	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.

Ground (AN 7.2)	Linked items	Found (Y/N)	Evidence (photo / video timestamp / document)
(x)–(xi) Other violations compromising training; malpractice	Any part	N	Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.

J2. Summary of compliance by part

Part	Items checked	C	P	N	NA
B — Affiliation	8	6	2	0	0
C — Land, building, infrastructure	47	30	7	9	1
D — Machinery and equipment	15	8	2	1	4
E — Staff	6	3	0	2	1
F — Admissions and training	27	12	11	3	1
G — Assessment	6	4	1	0	1
H — Safety and welfare	49	27	11	8	3
I — Records and finance	19	8	4	7	0
Total	177	98	38	30	11

J3. Deficiencies and action required

S.No	Item ref	Deficiency observed	Category: Critical / Major / Minor	Action required	Responsible	Time allowed
1	Sample entry	Sample entry	Minor	Sample entry	Sample entry	Sample entry
2	Sample entry	Sample entry	Major	Sample entry	Sample entry	Sample entry

J4. Unit-wise recommendation (adapted from AN Ann-15 Part G; for renewal or complaint-based inspections)

Trade	Units affiliated (S1 / S2 / S3) — S1	Units affiliated (S1 / S2 / S3) — S2	Units affiliated (S1 / S2 / S3) — S3	Units found compliant (S1 / S2 / S3) — S1	Units found compliant (S1 / S2 / S3) — S2	Units found compliant (S1 / S2 / S3) — S3	Reason for any non-compliant unit: machinery short / not working, workshop or classroom short of area, instructor not available
Electrician	16	17	21	15	30	9	Sample entry
Fitter	6	19	14	21	27	16	Sample entry

J5. Overall assessment and recommendation (tick one)

	Option
☐	Satisfactory — no action beyond routine Action Taken Report.
☑	Satisfactory with deficiencies — Principal / management to remove deficiencies in J3 within the time allowed and submit an Action Taken Report. (AN 3.6(vii) allows 3 months to remove deficiencies in renewal cases.)
☐	Unsatisfactory: critical deficiency found — issue Show Cause Notice within 2 weeks of inspection; reply due within 3 weeks of the notice; refer to RDSDE / SSDEC for de-affiliation or surrender of unit(s) under AN 7.3.1 and Table 18.

J6. Interaction with trainees and instructors (problems reported and suggestions; TM App-XV note)

Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.

J7. Final remarks of inspecting team (training arrangements, adequacy of machines, calibre of instructors, discipline of trainees, whether training meets industry needs, suggestions; TM 2.25(vi)(c))

Trainees and instructors interacted with; workshops functional. Minor deficiencies noted in J3.

J8. Declaration by inspecting member(s) (adapted from AN Ann-15)

I / We, (full name), (designation), serving at (office), declare that I / we conducted this inspection on (date) and personally verified the infrastructure, machinery, equipment, staff details and other parameters recorded above. The information is true and accurate to the best of my / our knowledge, and has been recorded fairly and without any external influence.

Member	Name	Designation and office	Signature	Date
1	Ritu Thakur	Group Instructor, Govt. ITI Mandi	Declared electronically on 24-10-2026 09:03	19-10-2026
2	Vikas Kumar	Superintendent Gr. II, DTE, Sundernagar	Declared electronically on 24-10-2026 09:03	19-10-2026
3	Anil Sharma	Principal, Govt. ITI Jogindernagar	Declared electronically on 24-10-2026 09:03	19-10-2026

Acknowledgement by Principal: received a copy of this inspection report on 27-08-2026. Action Taken Report will be submitted by 29-07-2026.

Signature and seal of Principal: _____

SECTION-B / INSTITUTIONAL OFFICE WORKING AND FINANCIAL MATTERS INSPECTION

A. Office Working, Correspondence and Case Monitoring

A. Office Working, Correspondence and Case Monitoring

Sr. No.	No.	Head / Register	Rule / Para	Available (Yes/No)	Updated up to	Deficiency observed	Action required
i.	1	Diary / Dispatch Register	HP Office Manual (2011), paras 13.1.1 and 13.1.20	No	25-05-2026	As per norms.	Seen in office file.
ii.	2	File Opening Register	HP Office Manual, para 13.1.4	Yes	01-03-2026	Verified on site; records produced.	Partly available; to be completed.
iii.	3	Assembly Questions, Short Notice Questions, and other matters Register	HP Office Manual, para 13.1.6	Yes	27-03-2026	Not available at the time of visit.	Verified on site; records produced.

fire point near main building.jpg · 100 KB · uploaded 25-10-2026 09:03 by Anil Sharma · fire point near main building

Notes on the digital proforma

- D2: items printed as D2.10–D2.16 renumbered D2.9–D2.15 (there was no D2.9 in the printed proforma).
- J1 (ii) linked item 'A15' does not exist; linked to 'Any part (on-site observation)'.
- J1 (iii) linked item 'A14' (court cases) corrected to 'A7, A12' (time of arrival / working hours).
- J1 (viii) linked item 'I2.8' does not exist; linked to 'Any part (documents verified)'.
- J1 (ix) linked item 'I2.9' does not exist; corrected to 'I2.3'.
- ★ legend added: ★ marks a critical item linked to a de-affiliation ground in J1.

- 'NA' (not applicable) added as a response option to every C/P/N column, to match the NA column in J2.
- J2 for Part I counts I1 registers as: Maintained Y and Up to date Y = C; Maintained Y and Up to date N = P; Maintained N = N; and I2 items by their C/P/N.
- Section B Part F (Student Welfare Fund) is shown for Government ITIs; it is marked not applicable for other ITIs (ownership is taken from the ITI master).
- J8 'Signature' is recorded as an electronic declaration by each logged-in member (with date and time), plus optional upload of the signed page.
